

# Ramco Primary School

## MISSION STATEMENT

*'To provide every student with educational experiences which will equip them to continue to actively participate in the process of life-long learning. Every student is supported and challenged to be engaged in learning and to achieve their personal best.'*

## 2017 – 2019 **Site Improvement Plan**\*

*Our three, key **improvement** priorities are;*

### *High Standard Literacy*

#### **GOAL;**

*To attain a high standard of student Literacy - with a maintained focus on reading comprehension improvement*

### *High Standard Numeracy*

#### **GOAL;**

*To attain a high standard of student Numeracy - with a focus on developing confident and effective problem solvers*

### *Positive School Community and Learning Culture*

#### **GOAL;**

*Develop and embed a positive school culture and powerful learner dispositions through growth mindset thinking*

Our core values of **Respect, Responsibility, Resilience** and **Honesty** are central to our improvement focus and guide our plans, actions and relationships.

Ramco Primary School has committed to the Corwin Publishing, '**Visible Learning Plus - Collaborative Impact Program**', over three years to incorporate current, educational research into teaching and learning improvement, across the whole site.

*\*For a current, detailed plan on the priorities, targets and strategies of the 2017 - 2019 SIP, please refer to the 'Ramco Primary School 2017 Operational Plan'.*
