

Powerful Learners at

Problem Solvers

'Let's challenge ourselves when learning'

- I am curious
- I use good strategies when I am in the 'learning pit'
- I am creative
- I try different strategies in order to solve a problem
- I take risks and enjoy a challenge
- I understand mistakes are a part of learning
- I question myself and others to find out more

Self Regulators

'Let's take responsibility for our learning'

- I am self-motivated to learn
- I have my learning tools ready
- I use my time effectively
- I can describe and discuss my progress
- I seek feedback on my learning
- I strive to always do my best work

Resilient Learners

'I can cope with setbacks'

- I always persist with learning
- I am not put off by early failures
- I value learning from mistakes
- I bounce back when things go wrong
- I am determined to improve
- I see feedback as a way to improve

I have a growth mindset
I follow the school values
